

YEAR 6 OC REQUISITES 2021

Dear Parents and Carers,

Can you believe 2021 is almost upon us? It will be a big year for your child and I am sure that he / she is looking forward to a wonderful year of primary school in the Opportunity Class. Following is a list of items, which will be required next year. It is not compulsory to acquire everything that is listed, as there are some supplies in the classroom for the students to use, but resources can become limited.

It would be appreciated if all items could be clearly labelled with your child's name and class to avoid confusion.

A note on the cost of school fees and other items that the students will be using next year will be sent home in the first few weeks back in 2021.
